

## **The YMCA is proud to be offering archery!**

Archery is one of the few sports where athletes of all ages, levels and abilities can compete together. Archery is also a great individual sport where one can set personal goals and challenges and achieve them.

This course will focus on character development such as communication, values, teaching discipline, patience, persistence and problem solving skills.

Archers will all be using the Genesis Compound Bows. These bows will adjust to any draw length allowing us to offer the program to a wide variety of age groups. Archery is a great family activity. Come on in and check it out!

**Dates:** Session I Jan 30th—Feb 27th Wednesdays from 4:00-5:00pm (5 weeks)
