EXPERIENCED & PREPARED

As a long-term provider of childcare across the state, our local Grants Pass Family YMCA is well equipped to serve the community. Our staff are prepared to work closely with parents, teachers and the school district to help students succeed both inside and outside of the classroom. Our group leaders will work to create opportunities to foster and build social and emotional skills, in addition to literacy, language and physical health development.

STRONG SAFETY STANDARDS

The Grants Pass Family YMCA is committed to the safety protocols and standards set by the Oregon Health Authority, the Early Learning Division and the CDC. The YMCA trains all staff to meet these requirements and best practices. Our biggest priority is the health and well-being of our entire community!
