BRING BALANCE TO YOUR LIFE

TAI CHI

Tai Chi is practiced by over 180 million people each day!

Created as an internal or 'soft' martial art, it is being promoted world-wide as a wonderful health benefit, especially for those who face problems with balance, reduced range of motion, or have loss of flexibility & strength. It is practiced with relaxed muscle, and is both graceful & comforting.

Known for improving coordination, Tai Chi reduces stress & tension & may lower blood pressure. Because of its many health

Tai Chi has been proven to reduce incidences
