## EXPLORING NEW ADVENTURES

Travel all over the world in 90 minutes.... see animals from different continents. We will have a guide travel with us as we drive from 'continent' to 'continent,' talking about the different animals. Wildlife Safari began as the vision & dream of one man- Frank Hart. It was Hart's goal to create a facility in the Pacific Northwest that would work to save rare and endangered species from all around the world. Almost 50 years later, Wildlife Safari has grown into an internationally recognized non-profit wildlife park dedicated to conservation, education, and animals in wide open spaces. After our safari cruise, we will enjoy lunch at the Village Restaurant and spend time in the Safari Village viewing the animals on display and visiting the gift shop
